1. Overview of the Federal Government's Approach to Sustainable Development

The Federal Sustainable Development Strategy (FSDS) 2013–16 presents the Government of Canada’s sustainable development activities, as required by the Federal Sustainable Development Act. In keeping with the objectives of the Act to make environmental decision making more transparent and accountable to Parliament, the National Film Board of Canada supports the implementation of the FSDS through the activities in this supplementary information table.

This Departmental Sustainable Development Strategy presents the results for Theme IV – Shrinking the Environmental Footprint.

4. Theme IV: Targets and Implementation Strategies

Goal 7: Waste and Asset Management

Target 7.2: Green Procurement

As of April 1, 2014, the Government of Canada will continue to take action to embed environmental considerations into public procurement, in accordance with the federal Policy on Green Procurement.
